GET TO KNOW YOUR LOCAL ROLLER DERBY LEAGUE

Roller Derby is alive and thriving in Aurora, Illinois.

The Aurora 88s Roller Derby League was founded in 2011. The league found its home at the Aurora Skate Center, bringing with it the excitement of flat track roller derby!

Our mission is to empower women through athleticism, creating an environment of respect to promote skill, confidence, and fun.

Our league is run for the skaters, by the skaters as a 501c3 non-profit organization. The league is made up of skaters, referees and officials who volunteer their time. We are a part of the Women's Flat Track Derby Association, or WFTDA, the international governing body for the sport of women's flat track roller derby. There are currently 457 WFTDA member leagues on 6 continents.

GIVING BACK AND BEING PRESENT

We make an impact, on and off the track.

Our league gives back to nearby communities through acts of altruism: volunteering our time and making charitable contributions.

We love being out and about whether it's skating in a parade or fulfilling a much needed service. You may see us taking tickets at a festival, dropping off charitable donations or having a fun night out with our teammates, supporting our favorite hangouts.

Let's grow together.

By becoming a sponsor, your partnership contributes to our league's season. Whether you provide us with essential bout day items, provide a space for us to fundraise or make a monetary donation, we appreciate your contribution, large or small. In return, we want to know how best we can help you.

Roller derby and the 88s.

Roller Derby has a long history, but currently it is one of the fastest growing international sports.

Our season consists of 6-8 bouts, which includes at least 2 home bouts with an average attendance of 250 fans and typically runs from January-July. We also host a fundraiser in the fall and a "fun" bout each season.

Our league and audience come from wide backgrounds and extend beyond the traditional sports fan. The 88s have over 6,000 Facebook fans and more than 1,300 Instagram followers.

The roller derby community is passionate, powerful and engaging. We are accepting of all people. We are a safe environment. We support each other and nurture confidence and strength through athleticism.
